Agenda Items

School Safety follow up: CM Rosenthal was contacted by parent reps from FMHS and SA asking for updated scanning equipment to facilitate more efficient entry and reentry to the building. Her office responded, “she is opposed to scanners in public schools and hopes that the schools and their administration will work together to finally rid the Brandeis Campus of scanners. Conversations our office has had with the Borough Dept of School Safety lead us to believe many are in support of that position on the Campus. We are happy to support parents and schools in that effort however this office can be helpful – please let us know if you would like to discuss this further”.

Building Capacity and Improving Results Framework for Great Schools: We discussed a number of ideas around reimagining parent/guardian/community engagement for next year. These include:

- Looking into use of social media tools (FMHS Website, FB, Twitter, Instagram, Youtube channel) to increase two-way participation in school events, programs, news etc.
- Use of a service like Constant Contact, an online marketing company offering email marketing, social media marketing, online survey, event marketing, digital storefronts, and local deals tools, primarily to small businesses, nonprofit organizations, and membership associations.
- Advisory parents – a parent/guardian in each advisory who can send e-mails, make phone calls etc.
- Data Collection – keep records of numbers of parents/guardians who attend any FMHS events, meetings, etc during the school year. This is data that can be used to address CEP goals.

Remuneration: SLT members were reminded to let Danielle know their intentions for the stipend ASAP.

Other:

- HW emails sent after initial posting on-line – Any issues related to this can go first through the class advisor and then through the guidance counselor.
- C-30 Process – for AP hiring will take place in the fall. FMHS community members will be involved at that point.
- Affinity Group – FMHS has signed on with New Visions for another 3 years.
- Regents results: are listed on the FMHS statistics page on the DOE website.

Respectfully submitted,

Maria Hartman
